DISCLAIMER: NJ India Invest Private Limited (NJ) is a mutual fund distributor. Certain products and services offered by NJ may not be traded on the exchange. Disputes with respect to the distribution activity, would not have access to Exchange Investor Redressal Forum or Arbitration mechanism. The information contained herein does not constitute, and should not be construed as, investment advice or a recommendation to buy, sell, or otherwise transact in any security or investment product or an invitation, offer or solicitation to engage in any investment activity. It is strongly recommended that you seek professional investment advice before taking any investment decision. Any investment decision that you take should be based on an assessment of your risks in consultation with your investment adviser. To the extent that any information is regarding the past performance of securities or investment products, please note such information is not a reliable indicator of future performance and should not be relied upon as a basis for an investment decision. Past performance does not guarantee future performance and the value of investments and the income from them can fall as well as rise. No investment strategy is without risk and markets influence investment performance. Investment markets and conditions can change rapidly, and investors may not get back the amount originally invested and may lose all of their investment.

Mutual fund investments are subject to market risks, read all scheme related documents carefully before investing.
